J27F636H TruFlat™ Digital

Picture Technology

Flat Tube reduces peripheral screen reflections and glare by over 60% compared to standard tubes. Offers a wider effective viewing area from any angle. Detail clarity adds realism.

High-Performance Video System with advanced circuitry to deliver outstanding picture performance, with up to 720 lines of horizontal resolution.*

Comb Filter creates even more superb color, sharpness and detail in the picture, eliminating blurred edges between colors and reducing dot crawl.

Sound Technology

Broadcast Stereo Sound and SAP for rich, stereo sound or SAP (secondary audio program) where available. 3.5 watts / channel.

Sound Logic™ Audio Leveler eliminates sound blasts during commercial breaks, maintaining a more consistent overall audio level.

Commercial Features

ATSC/NTSC/QAM Tuner for a wide range of options using off-air, satellite/cable or internally generated program signals.

Channel-Guide with One-Button Access for an on-screen listing of all available channels and their identification labels.

8-Character Channel Labeling allows for on-screen display of both network affiliation and channel number.

User Remote with TV1/TV2/TV3 Capability allows simultaneous control of multiple monitors in the same room.

ENERGY STAR® Qualification saves energy costs.

Configuration Menus with Non-Volatile Memory for site-specific specifications and limitations on how televisions can be operated and retained, even when power is lost.

Selectable Weak Signal Muting mutes audio, blanks video and provides an on-screen message if signal is weak or lost.

Selectable Clock and Scheduler with automatic time set allows TV signal to automatically set time (where available); scheduled turn on/off events can be one-time or recurring.

Volume Limiter and Initial Volume establish maximum and consistent initial volume settings each time television is turned on.

Selectable Automatic Turn-Off permits television to turn off automatically after a period of inactivity.

Side Access A/V Jacks offer convenient connection of external audio or video components.

Front Panel Lockout prevents tampering.

Monitor-Style Cabinet with mounting bosses provides integral mounting ability.

Specifications
